VOL. IV. RALEIGH, N. C., MONDAY, OCTOBER 5, 1868. NO. 46.

The Daily Sentinel.

WM. E. PELL, PROPRIETOR.

From the New York Tribune, of Monday.

INTERVIEW WITH THE HON. B. H. HILL.

A representative of the *Tribune* called on the Hon. Benjamin H. Hill, of Georgia, at his hotel, and, during a long and interesting interview, that gentleman expressed the opinions of which a synopsis is given below:

"My opinion of the Reconstruction policy of Congress is, that its successful establishment will totally ruin the South. It will demoralize society, disorganize labor, and destroy confidence. Georgia will vote the Democratic ticket, the whites having a decided majority, as well as the support of large numbers of the negroes. But in many portions of the South, the negroes are in such large majority that evil disposed white men can control enough of them to secure the offices; but the means by which the negroes are so controlled and influenced are such as engender among them absolute hatred of the white race. As a result of this hatred, we of the South are in constant dread, and cannot leave our wives and children alone with safety or confidence."

In reply to a query about the prevailing opinion in the South on the suffrage question, Mr. Hill said: "I think our people would have accepted *impartial* suffrage as a compromise and finality. They do not object to negro suffrage because they hate or would oppress the negro, but for the reason that they consider their late slaves incapable of understanding it at once, and fear that they would become (as they have become) tools in the hands of wicked and designing white men. Thus, by giving suffrage to the negro, he is made utterly worthless as a laborer, and dangerous to the peace of our society. Our people, having become impoverished by the war, desire now to recuperate. They can do so only by cultivating their lands, and for that purpose need the negro as a laborer. It is their interest, therefore, to be kind to him. I know the Republican party could have commanded the white vote of the South after the surrender, if they had pursued a different policy towards our people. Those of us down there who had opposed secession always charged that the Democratic party would bring about disunion, and that disunion meant destruction. The facts turned out as we predicted. We also told the people that the party opposing the Democracy did not hate the Southern people, and would not do them an injustice.—But the reconstruction policy destroyed the confidence which otherwise might have been left; but for this, I do believe all the evils of secession would have been charged by the people on the Democracy, and the white vote of the South would have been largely against that party. But this reconstruction policy of suddenly disfranchising whites and giving the ballot to ignorant negroes, and the plan of forcing these things upon us, threaten to fulfill the worst picture ever drawn by the most rabid secessionist."

As to the Republican candidate for President, Mr. Hill said that the Southern people do not dislike Gen. Grant. His deportment towards Gen. Lee at the time of the surrender at Appomattox, and his vindication of the Southern people to the President in 1865, made him a favorite with them; so much so in fact, that he could have gained their consent to any honorable terms. Regarding the re-establishment of slavery, Mr. Hill remarked that much misapprehension exists in the North respecting the Southern opinion on that subject.—He asserted that Southerners would vote the proposition down almost unanimously, because they have found slavery too costly to be maintained against the sentiment of mankind. In case emancipation results unfavorably to the negro, however, the Southern people will not feel themselves responsible for it.

In reply to a query as to the causes for the rejection by the South, of the Constitutional amendment, (14,) he said: We rejected it *solely* because it disfranchised our leading men for doing what the people, by their votes, had requested them to do. Beside, it disfranchises the very men who did their best to prevent secession, and leaves open a road for the worst secessionists to become Republicans, thus not only repudiating their own past career, but deceiving the party which receives them. They only join to have their disabilities removed.

Mr. Hill said that the financial question excites but little interest among the Southern people. They believe that if the Union can be restored and the resources of the country fully developed, the currency can be brought up to par, and the national debt liquidated when it becomes due; but if the Union is restored in hate and by force, and the South is thus made incapable of recovering, the resources of the country cannot be developed, the government cannot be economically administered, and will be subverted long before the bonds fall due, and then they will never be paid at all. They think that capitalists should by all means oppose the reconstruction measures, because (and here Mr. Hill was very emphatic) the South can never have either safety, peace or prosperity under those measures.

When the election throughout the South was alluded to, Mr. Hill said: "The South will vote for Seymour only because he is pledged to relieve us of this measure, and enable us to recover our property and preserve our peace. We expect this relief to come peaceably and by lawful means. We would not have it otherwise, because it is to preserve the peace that we ask relief from these measures."

In relation to the recent expulsion of the negro members from the Georgia Legislature, he gave it as his opinion that under the reconstruction laws of Congress, they were entitled to their seats, but that at the same time the Legislature had power to pass a law disqualifying them. Their expulsion, he said, could not have been accomplished without the connivance of the Republican members. It has no great effect on the whites, but the blacks are considerably affected by it, for they have lost their confidence in the men who proclaimed themselves their friends.

Mr. Hill does not believe in the existence of the Ku Klux Klan—at least not as a Southern institution; he said there had undoubtedly been "demonstrations," but his belief was that they had invariably been incited by Republicans in order to give Northern men a wrong impression of Southern opinion.

When the question was asked, "What would the negroes do if Seymour and Blair were elected?" Mr. Hill said that he had no doubt they would quietly submit. Their condition in that event would be fully as good as under the present rule, and they would become of more use to the country as laborers.

When asked whether he proposed to aid in the canvass of his State, he answered that he did not, for the reason that the state of public feeling is such that but little agitation would fan the present excitement into serious troubles. "In fine," said he, "the people anticipate fearful riots on the eve of the election."

As our reporter was about to take his leave, Mr. Hill said: "I wish to state that I am convinced there is in the South an organized scheme to provoke collisions between the whites and blacks, for the purpose of inflaming the minds of the Northern people, its prime movers being Radicals."

Mr. Hill's manner of speaking is very collected and deliberate, and his opinions are evidently the result of deep thought.

THE RADICAL ORGAN'S ADVICE TO RADICAL CANVASSERS.

Here is the advice given by the Raleigh *Standard* to the canvassers of its party in North Carolina. Here is the PEACE to which we are invited by the election of GRANT and COLFAX. Here are the necessities requiring Holden's six thousand DETAILED MILITIA. MEN OF NORTH CAROLINA, read this result to your mothers, your wives and your daughters, and learn the purposes of the cowardly adventurers who are now governing your State. Says the *Standard:*

"BUT WHEREVER ELSE YOU WORK, DON'T FORGET TO WORK AMONG THE WOMEN. THE CONFEDERACY WOULDN'T HAVE LASTED A YEAR IF IT HADN'T BEEN FOR THEM. ONE GOOD REBEL WOMAN IS WORTH A DOZEN REBEL MEN. GO AFTER THE WOMEN THEN. THEY WILL MAKE THEIR HUSBANDS SHOUT FOR GRANT AND COLFAX UNTIL THEY ARE HOARSE, IF YOU WILL MANAGE TO REBLACK SOME OF THE DIAMOND RINGS AND LACES FRANK BLAIR STOLE FROM THEM WHEN HE WAS HERE. AND DON'T HESITATE TO THROW YOUR ARMS AROUND THEIR NECKS NOW AND THEN, WHEN THEIR HUSBANDS ARE NOT AROUND, AND GIVE THEM A GOOD——! THEY ALL LIKE IT, AND THE YANKEES TOO ARE THE BETTER IT TAKES. OUR EXPERIENCE WITH FEMALE REBS IS, THAT WITH ALL THEIR SINS, THEY HAVE A VAST AMOUNT OF HUMAN NATURE, AND ONLY WANT TO HAVE IT APPRECIATED TO BE THE MOST LOVING CREATURES IMAGINABLE. SCALAWAGS AND CARPET-BAGGERS! DON'T FAIL, THEREFORE, AS YOU CANVASS THE STATE, TO LOOK AFTER THE WOMEN. YOU ARE ALL GOOD LOOKING AND THEY KNOW IT, BUT WITH NATIVE MODESTY, LIKE NEW ENGLAND GIRLS, THEY LIKE TO BE APPROACHED FIRST — DON'T BE AFRAID OF THEIR EYES—THEY GLARE LIKE YOUNG LEOPARDS BY DAY LIGHT, BUT UNDER THE MOON NO BLUE DEATH-STRICKEN FAWN'S IS HALF SO TENDER OR HALF SO DEEP. DON'T READ JUDGE PEARSON'S LETTER TO THEM, BUT GIVE THEM BYRON AND SHELLEY IN VOLUMES AND YOU WILL HAVE THEM IN YOUR ARMS, IF NOT IN FOUR PARTS, IN LESS THAN A WEEK."

THE CANVASS—ORGANIZATION.

The Presidential and Congressional canvass in this State is now fully open. The candidates of the two parties are in the field and active, Democratic and Radical Clubs are being formed in considerable numbers in every county, and public meetings, barbecues and discussions will hence forth be kept up until the election on the 3rd of November.

So far, the canvass has been conducted, on the part of the Conservatives and Democrats, with good spirit and temper, and with very great ability. Many of our best speakers have, at their own expense, gone to distant points to address the people, while many of our most effective speakers, candidates and others, have kept up a damaging fire upon the opposition, in their respective districts and counties.

If we fail in the approaching election, it will be chargeable simply to the dogged purpose of the people to let things go as they please and to eschew all organization. Organization, thorough, complete organization, would have placed the control of affairs entirely in the hands of the competent governing class in this State, in the past and for all time, whether the blacks vote or not, but the hesitating, weak-kneed, dallying course of thousands, who hardly have manhood enough to claim that *they* are freemen, and who, for a temporary pecuniary advantage, would barter all the other interests of life, has very nearly made us all slaves. *This thing must be cured.*—Organization we *must* have, and, to this end, the Democratic speakers, presses and leading men must give close attention to it until the election. Indeed, the organization must be so framed, that it can be perpetuated, by a simple change of title or place, so as to wage an eternal war against Radicalism—its infidelity, its abandonment to low designs and purposes, its tendencies to despotism, to general bankruptcy and ruin!

Seymour and Blair Clubs must be formed in every neighborhood—the name of every supporter of the Democratic ticket in each precinct must be obtained, and every effort made to increase the number—newspapers, tracts and documents must be scattered,—systematic contributions for the support of the cause must be attended to,—proper persons to attend to registration and to the polls must be appointed, and the old North State must and *will* be recovered from the Vandals. Public speaking, barbecues and public parade are all well enough, but *personal* influence, exerted in *personal* conversations, and inducing the people to read at home and to reflect upon political affairs, and organization, will accomplish far more permanent good.

Above all, *let us be in earnest*, as men confident of the truth and soundness of our principles, but let us keep up a cheerful good temper in pressing them upon the consideration of the people. Let us show an ardent zeal for civil liberty and a free government, for these are involved in the issues of the coming election. It may be the last contest for the Federal Union and the Federal Constitution—the last election for a President of the United States!

Among the Radicals, Mr. John Pool is the only speaker, of any note, who has gone much beyond his precinct, yet their speakers of smaller calibre have not been inactive. Indeed, their electioneering efforts, being necessarily confined to the negroes and the less intelligent portion of the whites, they have but little use for speakers of much force or popularity upon the stump. Activity, vigilance and private efforts and operations, *in the Leagues*, constitute their most effective work, which often baffles more able and more open efforts to counteract. Their principles or deeds or policy will not bear the light, dare not risk the test of public disputation. Hence they studiously avoid discussion, where it is possible.

We are gratified in being able to state, that, so far as we know, the canvass has not been marred by any disturbance or riotous proceedings originating in political differences. Both parties have indulged in considerable license of expression, and, in some instances, very improper and irritating remarks have been made, but this seems to be expected, and they have very properly been allowed to pass without collision.—We trust the canvass will continue to be conducted without conflict to the end. Conservatives and Democrats will not court or necessarily provoke collision. There is no need of it. Indeed it ought not to be *allowed*, on either side.

IMMIGRATION.

Two gentlemen, Messrs. Thomas Atkinson, of Johnston County, and W. F. Atkinson, of Wayne, anxious to test the feasibility of the introduction of foreign white labor upon their lands, and tired of waiting the slow movements of our people in any combined organization, some time ago resolved to make the effort, single-handed, and, through proper agents, have succeeded in obtaining, direct from Switzerland, a company of thirty-five emigrants, consisting of men, women and children, who arrived a few days ago, and are now being comfortably settled.

The Goldsboro *Rough Notes* says it has never seen a more sober, intelligent and healthy body of emigrants than these, and Mr. Thomas Atkinson writes us that he is highly pleased with them; that already they seem to be happy and contented, and they promise to be a most industrious and energetic class of laborers. Coming from a hardy, persevering and enduring stock, uncontaminated with *red* or *black* Republican principles, they will be readily incorporated into Southern society, will make good citizens and become easily imbued with Democratic principles.

It will be seen, by our advertising columns, that Mr. Thomas Atkinson proposes to reduce his lands into small farms, for the accommodation of energetic and industrious persons, who are unable to rent or buy large farms. He thinks that, by a little effort, large numbers of these Swiss people may be induced to emigrate and settle among us. We regret that he neglected to state in his letter how he and his brother obtained these emigrants, and through whose agency they were induced to remove hither. Facts of this kind are important to be known, and we hope will be communicated to the public.

The reader of the early history of North Carolina will remember, that, at a very early period, the lands on the lower Neuse and Trent rivers, in the vicinity of Newbern, were settled by Swiss emigrants, who proved to be a valuable accession to the early colonies, and whose descendants are still to be found in various portions of the South. Some of the people residing in Craven, if we remember correctly, still retain their original Swiss names, which may be easily distinguished from the names of the English settlers.

The climate of Eastern North Carolina, its soil and products, the character of the food of our people and the dwellings, must differ very materially from those of Switzerland. We would suggest, therefore, that very close attention should be paid to *these* matters, in providing for Swiss emigrants. Too sudden or too great changes in these respects may prove utterly destructive to the health of such emigrants. The character of their food, clothing and houses should be specially attended to. Bread made from Indian corn, and pork, are famous for health and fatness among colored laborers, but these for Swiss laborers, until they have become habituated to their use, we fear, would prove destructive. Wheat, rye and barley bread, and beef and mutton, we judge, are far better suited to them.

We stated, some time ago, that an eminent Southern physician had expressed the opinion that the mortality among the Northern and foreign soldiers, in our Southern prisons, during the war, had been caused much more by the necessities of the Confederate authorities, which required them to be fed on corn bread and swine's flesh, than by the excessive *scarcity* of their food. This is no doubt true, to some extent. Hence, we throw out these suggestions, in regard to the food for emigrant laborers, who may be introduced among us. Neglect in these particulars might prove utterly fatal to our immigration enterprises.

The introduction of an industrious class of emigrants, inured to farm labor, especially when they come with sufficient means to purchase small farms, would prove valuable accessions to the country, in its present condition. Where these are intelligent and *skilled* in agriculture, and taken from the peasantry of England, Scotland, Sweden, Germany, Switzerland and Hungary, the advantage would be still greater.

THE ELECTORAL TICKETS.

We call the attention of the reader to the character of the Electoral tickets presented to the people of North Carolina for their suffrages, on the 3rd. of November next.—It is important that their relative merits be fully weighed. The Electoral tickets are voted for in every county in the State.—Under the law the voters cannot cast their votes directly for President and Vice President, but for the nine electors; and the nine who get the largest number of votes in the State cast the vote for President and Vice President. Each voter, therefore, casts his vote for the whole nine in general ticket.—If he votes for one, he must vote for all.—Let us see:

DEMOCRATIC ELECTORAL TICKET.

FOR PRESIDENT,

HORATIO SEYMOUR,

OF NEW YORK.

FOR VICE PRESIDENT,

FRANCIS P. BLAIR,

OF MISSOURI.

ELECTORS.

FOR THE STATE AT LARGE,

JAMES W. OSBORNE, of Mecklenburg.
JOSEPH J. DAVIS, of Franklin.

DISTRICTS.

1st Thomas J. Jarvis, of Tyrrell.
2d. John Hughes, of Craven.
3rd. James C. Dobbin, of Cumberland.
4th. Wharton J. Green, of Warren.
5th. Marmaduke H. Robbins, of Randolph.
6th. William M. Robbins, of Rowan.
7th. Lee M McAfee, of Cleaveland.

It would be difficult, without concert, to select nine better men in the State, as Electors, than the foregoing. Most of them are young men, men of high moral character, intelligent and beloved in the communities in which they live, and of undoubted devotion to the Constitution and the principles of civil liberty. They have no political disabilities. They are all *white* men, without tinge or taint; they are true North Carolinians, and they will all vote for Seymour and Blair. They are active in the canvass, and merit, and will receive, the suffrages of every true man in North Carolina.

The following is the Radical or Republican Electoral ticket:

REPUBLICAN ELECTORAL TICKET.

FOR PRESIDENT,

ULYSSES S. GRANT,

OF ILLINOIS.

FOR VICE PRESIDENT,

SCHUYLER COLFAX,

OF INDIANA.

ELECTORS.

FOR THE STATE AT LARGE,

BYRON LAFLIN, of Pitt
JOSEPH W. HOLDEN, of Wake.

DISTRICTS.

1st. Hiram E. Stilley, of Beaufort.
2d. Curtis H. Brogden, of Wayne.
3rd. A. H. Galloway, (n-gro,) of New Hanover.
4th. John A. McDonald, of Chatham.
5th. Henry A. Badham, of Alamance.
6th. Rufus Barringer, of Mecklenburg.
7th. W. J. Pearson, of Burke.

It is important that the first *given* name of each Elector should be in full. We do not know the full name of all on the Radical ticket. Gen. Laflin, who heads the Radical ticket, is a carpet bagger from New York, now living in Pitt county. If he has any one quality to commend him to the people of North Carolina, we do not know it. Joseph W. Holden is the son of "Gov." Holden, and is not yet 25 years of age, we think. Mr. Stilly, of Beaufort, is an *innocent* young lawyer, a thorough Radical but scarcely known beyond his county. C. H. Brogden, in former days, was a Democratic leader in Wayne, and was Comptroller of the State for a number of years. The spoils of office have *much* influence over him. A. H. Galloway is the colored Senator from New Hanover, a leader among the colored Radicals in that District. His speeches are said to be exceedingly bitter and violent.—He is represented as a man of more than ordinary sense among the blacks. Those who vote the Grant ticket must, also, vote for Galloway, throughout the State. How the white Radicals of the Western part of the State will relish voting for a colored man, as Elector for President and Vice President of the United States, remains to be seen. John A. McDonald, of Chatham, five years ago, would have possibly "had a fit," if *he* had been spoken of as an Elector, but, under Radical rule, "tall oaks from little acorns grow." Mr. Badham is a young and feeble convert to the Radical faith, and, we are told, is being literally skinned by his competitor, Mr. Robins. Gen. Barringer occupies the position of being "the man among the monkeys,"—having hitherto had some reputation as a lawyer and a Confederate General. Mr. Pearson is not yet, we judge, 22 years of age,—having secured position in the Radical ranks by his Radical declamation at the University, in the graduating class at the late Commencement.

GEN. FRANK P. BLAIR was in Washington, on Wednesday, where he was called on by his friends, who found him in high spirits and perfectly confident of the success of the Democratic ticket in the Presidential contest. He claims to have the best information from every State, and according to his calculations the Democrats will carry New York, Pennsylvania, and Indiana, with a close vote in Ohio. He says that the Democratic vote in the West and Northwest will astonish all parties, and that Horatio Seymour will be elected by a two-thirds vote of the Electoral College.

LO! THE POOR NEGRO.—At a discussion in Chatham, a few days since, between M. Q. Waddell, Esq., and Mr. B. J. Howze, (Radical,) the latter made the acknowledgment that the Radical party were in favor of *colonising the negroes* in some distant land!

It will be remembered that it was charged, some time ago, that "Gov." Holden had made a similar declaration to a Chatham county delegation, who remonstrated with him against the appointment of negro magistrates. That statement has not been denied. Did Howze get his "cue" from Holden? Lo! the poor negro.

EX-PRESIDENT FILLMORE is preparing a letter for publication in support of Seymour and Blair.

For the Sentinel.

Lespedeza Striata or Japan Clover.

An article appeared in the March (1868) number of "The Land We Love," from the pen of Hon. H. W. Ravenel, of Aiken, S. C., giving an account of this plant, and another was published in the September (1868) number of that most excellent agricultural journal, "The Southern Planter and Farmer," printed at Richmond, Va., written by Rev. T. S. W. Mott, of Sherrill's Ford, Catawba county, N. C.

If what is said of it be true, it is destined to be of immense value to this Southern country, as a pasturage and forage plant, and also as a fertilizer for the impoverished lands, and the sooner its cultivation becomes general, the better.

So far as known, it is an Eastern plant, native of Japan, China, &c.

It was found and exactly described by Thunberg, in his "Flora Japonica," in 1784. He, at that time, classed it with the Hedysarums. Afterwards, it was described by Hooker and Arnott, in "Botany of Beechey's Voyage," as *Lespedeza Striata*, from collections made in China and Japan.

Mr. Ravenel says: "We have a specimen from Hong Kong, which is identical with this South Carolina plant."

It was unknown to the earlier Botanists of this country, and has only been observed during the last eighteen or twenty years.—It was found by Mr. Ravenel, about 1849 or 1850, near Charleston, S. C., and in Berkley, forty miles higher up, and by others, in other localities of that State, ten or fifteen years since.

Prof. Darby found it at Altoona, Ga., about ten years since, and two or three years later Dr. Mettauer collected specimens in the streets of Macon, Ga. It can thus be traced back eighteen or twenty years. How it was introduced is not known; probably by vessels from the Eastern World.

It has spread very rapidly during the last six or eight years, and is now found all through South Carolina, Georgia, Alabama and portions of Florida and Mississippi, and as far North as Mecklenburg, Lincoln, Catawba and Rowan counties, in this State, and has attracted general attention in those sections where it has "domesticated" itself.

Perfect adaptation to our soil and climate seem to be one of its characteristics, which is fully shown by its rapid self propagation; and it is probable that, with very little effort, every land owner could in a short time have an abundant supply of pasturage and forage.

Rev. T. S. W. Mott says: "It will grow wherever the seed happens to fall. As proof of this, in March last, I scattered some of the seed on a very small spot of the poorest ground to be found on an old worn out and long abandoned field, and it grew there so vigorously, that, notwithstanding the severe drought we had of six or eight weeks duration, it is now fairly promising, as it does every where else it takes hold, to root out sedge grass and other useless cumberers of the ground! The South, then, has in this plant a direct and fruitful source of wealth."

It was first made known to the public by the Augusta (Ga.) Agricultural Club, in 1867, and since then its value has been set forth by many newspapers and prominent agriculturists in those sections where it has become abundant and well-known. Mr. Wm. Summer, of Pomaria, Lexington District, S. C., says: "Sheep and cattle fatten upon it, and sheep have subsisted nearly all winter where it grew among the pine thickets. My cattle this season was as fat upon it as upon the best pea-fields."

Mr. James Caldwell, Newbury District, says: "It renovates old lands when turned under. It is admirable for preserving lands from washing, and I think can be used to drive out the nut grass."

Col. Gage, of Union, S. C., writes: "Coming in just at this time (Oct.) luxuriantly, when nearly all the native grasses are dying out, it answers a good purpose. Cattle feed upon it voraciously."

Mr. J. W. Watts, of Laurens District, S. C., says: "I regard it as one of the greatest blessings that could be sent us, for now every one in this country has fat cattle and sheep the whole summer. We have in this vicinity dense pine thickets, with a solid mass of green herbage, where no other grass would grow."

Hon. H. W. Ravenel says of it: "I think our stock, of all kinds, do well on it. The cows are as fat as stall-fed animals; the same may be said of the Merinos. I hope to see it overrun the old fields all over the land, which it bids fair to do in a very few years. It has all the good qualities, and none of the bad ones, of the Bermuda grass. While it will stand any amount of tramping by stock in the pasture, it can't resist the plow and hoe, to which the Bermuda bids defiance."

The following testimony is from the *Tuskegee (Ala.) News*: "Horses, cows, sheep, goats—everything that eats grass, is delighted with, and fattens upon, it. We believe it to be the greatest blessing, in the form of a grass, ever bestowed upon the South."

The Augusta (Ga.) *Chronicle & Sentinel* says: "We have lately conversed with a planter from Morgan County, who informs us that it has been cut for hay this summer in that County, and that it made a large yield which all kinds of stock seem fond of. We learn that a large planter in Columbia County has made his crop of cotton and corn, this year, upon Lespedeza alone, without feeding on corn and fodder."

Mr. Ravenel also says: "Our experience with this new plant is of course too limited to authorize us in endorsing all the extravagant praise which has been called forth.—From the testimony, thus far universally favorable, we are inclined to believe it will prove a God-send to our poor exhausted lands, which have always wanted a hardy, vigorous grass or clover like the region of country further North."

These statements, coming from all parts of that portion of the country where it is now growing, ought to be sufficient to induce agriculturalists to give it a *trial*.

P.

THE SPANISH REBELLION.—Our latest news from Spain warrants the conclusion that though the end may yet be afar off, the revolutionary party has victory within its grasp. Nothing but the most intense bungling can prevent them from becoming masters of the situation. The two Conchas, the civil and military heads of the government, have both pronounced for the revolution. The royal army under General Paiva has been completely dispersed. The unpopularity of the Queen in Madrid is evinced by the fact that the statue of her Majesty has been dragged through the streets of the capital. The most important item of news is the announcement of the appointment of a Provisional Junta. The hopelessness of the Queen's cause is further proved by the fact that there is no resistance offered to the insurgents and that in spite of civil war order reigns.—*N. Y. World.*

INDIANA.—A private letter received in this city to day from a distinguished citizen of Indiana says Hendricks' election as Governor of the State is certain by over fifteen thousand majority. The Democrats claim five of the eleven Congressional districts certain, with the chances about even in two others. At the lowest figure, this would be a gain of two, and we have reason to believe that Hon. Daniel W. Voorhees will be one of them.—*Wash. Express.*

LOCAL DEPARTMENT.

MONDAY, OCTOBER 5, 1868.

REGISTER! REGISTER!

1. Don't forget to Register. Every man must Register or he can not vote. If you registered before it will not answer unless you register now.

2. Registrars will register names between the 15th of October, till and including the day of election, on the 3rd of November.

3. Registrars must give notice of the times and the places when they will register, and should not register at other times. No improper voter can be challenged except when he proposes to register; hence, the people should know when and where the registration takes place.

4. The Seymour and Blair Clubs must be sure to have proper persons at the Registrar's tables to challenge improper voters at all times. See to this.

5. There is no election in Virginia on the 3rd of November. We learn that negroes are being brought from Virginia into our border counties, on the pretence of working, but really for the purpose of registering and voting at our elections. Remember, no man has a right to register or to vote in this State unless he has been in the State one year before the election, and in the county, where he registers, thirty days before the election.

6. We beg our exchanges, public speakers, and friends generally, to have the people fully informed on the above subjects.

7. Tickets! Be sure to have every precinct well supplied with tickets. The names of candidates for Electors, &c., should be written or printed in full. Every County must order their own tickets in time.

SEE advertisement of Austin, Corbin & Co., in another column.

SEYMOUR AND BLAIR RALLY!

There will be a joint meeting of the Middle and Western Ward Clubs, at the Court House, on Monday evening, at 7½ o'clock.

The Eastern Ward Democrats and Conservatives, and the people generally, are invited to attend.

Gov. Bragg, and others, will address the Club.

Let there be a full turn-out!

NEW ADVERTISEMENTS.—We invite attention again to the announcement of the Medical College of the University of Maryland. Dr. J. J. Chisolm has recently been appointed to the Chair of Military Surgery and Pathological Anatomy. Dr. C. was Professor of Surgery in the Medical College of South Carolina for thirteen years, and is the author of the best book on Military Surgery, which the war produced. It was the text book of the Medical officers of the Confederate Army and passed through three editions in less than three years. It was so highly esteemed in the Federal Army, that Dr. C. has recently been solicited, by one of its most eminent Surgeons, to bring out a new edition, embodying the results obtained by the Surgeons on both sides of the late conflict.

See Notice by Wm. R. Pipkin, Sampson Co., Administrator of Mary Ann Jordan, deceased.

See attractive announcements—nine in number—by Upchurch & Dodd, Market Square.

Hardware and Glassware,—Assorted varieties in both lines: Thomas H. Briggs.

All kinds of Machine Belting: Thomas H. Briggs.

HIRAM LODGE, No. 40, will hold a special communication this evening, at 7½ o'clock, at their Hall, at which time a Masonic Address will be delivered by Rev. J. L. Carroll. Members of the Masonic fraternity in regular standing, who may be in the city, are invited to attend.

By order of the
W. M. GRAND MASTER.

OUR MARKET.—We have seldom had a better market than we have had for some weeks. Fine beef, mutton and fowls are abundant. Potatoes, &c, without stint.—All commanding good prices.

THE HENDERSON *Index* has commenced its semi-weekly issue. It is a spirited and true paper, and we wish our excellent friend Furman all imaginable success.

NEW COTTON—RALEIGH A GOOD MARKET.—A considerable quantity of new Cotton is now being brought into our market. Buyers were paying 22½ to 23½ per pound, on Saturday last. Our merchants pay the highest prices possible, to leave a small margin for themselves.

THE SHERIFFS.—We learn that not over forty of the Sheriffs of the State have settled in full with the Public Treasurer; others have settled partially. We further learn that the Public Treasurer has notified the delinquent Sheriffs that those, who can settle with him by the 16th of the present month, will not be smerced, but all failing will be.

THE DEMOCRATS and Conservatives of Richmond and Robeson counties are working nobly. Great changes are reported in both counties.

ELMIRA PRISON, NEW YORK.—All who lost friends at Elmira Prison, during the war, and who wish to get any information respecting their bodies, the chances and charges for removing, &c., can do so by addressing Mr. R. A. Harrison, of Sparta, Ga., at Elmira, New York. Mr. H. went North last winter to look after the bodies of friends and goes now to remove them. At Elmira Cemetery he noticed that most, perhaps all, the Southern States are represented, and knowing from pressing inquiries received, that many would gladly hear respecting the bodies of their friends, he promises, for the sake of the bereaved, to answer all letters and inquiries which may be sent to him at Elmira by the 15th of October. Persons writing will please enclose a stamp to pay return postage.

SECOND CONGRESSIONAL DISTRICT.

Messrs. Kenan and Hughes, Democratic Candidates for Congress and Elector, in the Second District, will speak at the following times and places:

Jacksonville,	Oct. 6
Swansboro,	" 8
Trenton,	" 10
Kinston,	" 12
Goldsboro,	" 13
Mosely Hall,	" 14
Snow Hill,	" 15
Greenville,	" 16

Other appointments will be made soon.

SENATOR NORTON is engaged in an active canvass of his State for Seymour and Blair, having appointments to speak at different points throughout Minnesota, and will be thus engaged until the day of election.

THE CONCORD *Independent Press* is solicitous to know the whereabouts of Jos. Wm. Font. Taylord, Richard I. Wynne, &c. It says that since the excoriation they received at the hands of J. M. McCorkle, Esq., of Salisbury, in Stanly, and of Maj. Montgomery, of Concord, at Coddle Creek, in Cabarrus, they have not been heard from!

CARPET BAGGERY.—The Canton (Ill.) *Ledger* contains this:

"Hon. W. P. Kellogg, *United States Senator from Louisiana*, is now spending a short time at *his home* in this city."

That expresses all of it.

SEVEN former "Loyal Leaguers" announce, through the Asheville *News*, their withdrawal from the treasonable concern, and proclaim themselves for Seymour and Blair.

THE PREPARATIONS for the Mass-Meeting and Barbecue in Concord, on the 15th and 16th, inst., are steadily progressing. A great demonstration is expected.

ANOTHER CARPET BAGGER.—G. Z French, c. b., has received the Radical nomination for the Legislature in New Hanover, *vice* J. C. Abbott, of New Hampshire, sent to the United States Senate.

CHOICE EXTRACTS.—The Concord *Press* is responsible for the following, which it entitles "Choice Extracts from Radical Orators at the Concord meeting, on the 24th. ult:"

"The Conservative party won't tell the truth—they will lie when the truth would answer their purpose as well."—*V. C. Barringer.*

This is not the first time Maj B. has abused the *good Union people* of Cabarrus—he did the same thing in 1860-1.

"The reason why the Republican Congress bought so many pairs of kid gloves with *the people's money*, is, that all their hands are not the same size, and when one member would try on a pair and they didn't fit, they would have to be thrown away."—*Prince Jo.*

"The whole air is full of liberty. I can smell it."—*Rev. (?) Hood, (negro)*

He was speaking in the Court House which contained about 25 scallawags and two hundred negroes. *Sweet scented liberty.*

"There are not a dozen white men in my county who will speak to me."—*Senator Wynne, from Franklin.* Nice man to be canvassing the State.

"My friends won't let me talk, they think I am too bitter. D—n Zeb. Vance to h—l I just want to talk ten minutes."—*Attorney General who was gloriously*———

For the Sentinel.

At a meeting of the Eastern Ward Seymour and Blair Club, held at their Club House, on Friday evening, Oct. 2nd. 1868,

On motion, a vote of thanks was tendered to the ladies of the Eastern Ward for the beautiful flag presented to the Club.

On motion, it was ordered that the Club meet at the Club House, on Monday night, at 7 o'clock, to attend the meeting of the Western Ward Club, at the Court House.

W. D. HAYWOOD,
President.

V. BALLARD,
Secretary.

The Democracy of Newark, New Jersey, had an immense torchlight procession Tuesday evening. The Jackson Associations from Bellville, Orange, Bloomfield, Montclair, and other towns, were present in full quotas, and helped to swell the crowd that formed in procession. The streets through which the procession passed, headed by a large cavalcade of mounted guardsmen, butchers and brewers, were filled with citizens and their wives and children, and as the vast stream of fire, emitted from something like 4,000 torches, filed past, cheer upon cheer rolled up. Quite a number of stores and private residences were illuminated. One of the noticeable features was a wagon containing thirty-six young girls dressed in white and wearing parti-colored sashes.—*N. Y. Express.*

JUDGE OSBORNE.—Our Rutherford and Asheville exchanges speak in glowing terms of the efforts of this gentleman while engaged in addressing the people of the mountain district. He visited most of the larger places, where he was greeted with large, attentive audiences, and his speeches had a most admirable effect.

The Judge is one of the most brilliant men in the State, and has only to be heard to be admired.

The news from the mountains is truly encouraging. In every neighborhood white men are leaving the dens of iniquity and rallying under the Seymour banner. The reaction is great, and the enthusiasm hourly increasing.—*Charlotte Times.*

IDAHO ELECTION.—According to a statement in the New York *Tribune*, the Democrats have carried Idaho Territory by "an increased majority. Shafer, Democrat, is elected delegate to Congress by a majority of 862. Last year it was 718.

One of Brownlow's Radical friends calls him "an iron man." Prentice says the devil has a great many such irons in the fire.

Correspondence of the Sentinel.

Great Conservative Outpouring in Forsythe.

MESSRS. EDITORS:—It is with the deepest satisfaction that I am able to report you glorious news from old Forsyth County,—a county which has been strongly "scallawag," ever since the close of the war.

Yesterday (Tuesday) Gov. Graham and Mr. P. F. Duffy addressed an immense concourse of citizens, and it is rarely possible to chronicle an enthusiasm equal to that of which these distinguished speakers were the recipients. Certainly not less than *two thousand* people were present, and, in response to an invitation, extended to the ladies, on the part of the Seymour and Blair Club of the place, numbering 84, they were present in large numbers—thus fitly gracing the occasion with their bright and encouraging presence. The women of the South are as true as steel, yet, to the cause of right—the rights that an infernal mongrelism has choked down for the hour.

The Salem Brass Band was present, (and it is doubtless the best Band in the State, and the same one whose music led the 21st North Carolina into many a charge that brought victory to our Eagles,) discoursing, at intervals, the very choicest of their selections. This added another very charming feature to the day.

Our "noble Roman," Gov. Graham, spoke first—and was heard with intense interest by the crowd, through two whole hours.—He very elaborately reviewed the whole field of our past and present political difficulties, and, in his usual masterly and logical style, charged home, with telling power, upon the gross deceptions and flagrant usurpations which mark the record of the Infidel, Radical, moral ideas (?) party, which seems to have chosen for its highest inspiration the virtues (?) of "Sp—on" Butler, the christianity (?) of John Brown, and the monkey-tigerism of Ben Wade.

In his opening remarks, the Governor passed a most tender eulogy upon the memory of our talented and lamented Augustine H. Shepperd—his old whig friend, who had so long ably represented this District in the Congress of the United States.

Gov. G. was followed by Mr. Duffy, whose Conservatism and thoroughly gentlemanly tone proved conclusively that we have, at least, one gentleman from the North in our midst. May the hand of goodfellowship be extended him everywhere!—He appealed forcibly and carefully to the people to support the staunch men whom the Democratic party have put forward—representatives of the cause of true civil liberty. With Seymour as President the *office* will be sure to command that respect which it lost when such an ignorant lout as Lincoln was placed in it.

Holden, (*it's*) of "Turpentine" notoriety, publicly advertises his intention of inflicting himself upon our hapless community, on next Thursday. Of course he will be met by swarms of ebon birds. This concentrated extract of loyalty will probably meet with a cool reception from the members of his party, because of their being so thoroughly disgusted with the late action of the Greensboro Convention, that put in nomination Henderson and snubbed Mr. Lash. The few respectable white men in the county who have affiliated with this miserable African abomination (the Rad. party) are to a man for Lash—and, as you are aware, you seldom find a man of his respectability and position acting with that party. Judge (!) Tourgee and Henderson will both be here with Holden. Report says the two rival candidates abuse each other like pick pockets, on the hustings; that they have established a new order of things, which may occur to you as being paradoxical, viz: that of confining themselves strictly to the truth in a political speech. If Henderson charges Tourgee with being an escaped penitentiary bird, we feel sure that a reference to the records of a Maine jail would establish the allegation. When Tourgee calls Henderson a mule thief the records of our County Court, here, render incredulity impossible.

By this family quarrel the election of Livingston Brown is a certainty. The work goes bravely on for Seymour and Blair!—The past is for them; everything that is time-honored and tried, conservative in thought and tendency, is for them.

May the Infinite, in his mercy, forefend such a dire calamity from this people, as the election to the office of President of the Republic, of that epauletted sphinx, U. S. Grant!

Very Respectfully,
B.

NEW GOODS! NEW GOODS!

AT HOME AGAIN!!

WITH A HOUSE RAMMED AND PACKED FULL OF

NEW FALL AND WINTER GOODS,

FOR

1868.

COME TO

A. CREECH'S!

For Ladies' Goods! For Gentlemen's Goods! For Misses' Goods! For Boys' Goods! Ditto for Children!

MY STOCK IS LARGE AND VERY COMplete. Allow me to say that you see some very strange advertisements. Some say they bought goods before the rise—some after the decline—some just in time—some in luck again—some buy goods cheaper than anybody else—some selling goods at unprecedentedly low prices—some controlling the trade &c., &c., and all such stuff. What a lucky set of individuals!

Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug—large enough to be seen even with one eye shut? So let them talk, puff and blow, but sroe, LOOK OUT! **HANDS OFF!** and show your good judgment by

COMING TO CREECH'S

to buy your goods. I intend to run through this campaign with my motto to give each and every individual value received for their support!

A fine opportunity for the ladies to exercise their inalienable rights, as well as the gentlemen! Don't stop until you COME TO CREECH'S. You will find me at 13 Smith's corner, attending to my business, always ready to give you the worth of your money.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party in National Convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation to every species of property according to its real value, including government bonds and other public securities.

Fifth.—One currency for the government and the people, the laborer and the officeholder, the consumer and the soldier, the producer and the bond holder.

Sixth.—Economy in the administration of the government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great in expense and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the government and the currency made good; the repeal of all enactments for enrolling the militia into national forces in time of peace; and a tariff for revenue upon foreign imports and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to, and the independence of the executive and judicial departments of the government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty and individual rights; and the maintenance of naturalized citizens against the absolute doctrine of immutable allegiance and the claim of foreign powers to punish them for alleged crimes committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge under which alone was rallied the noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of espionage, to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is now vested in it by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partizan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and peculations it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment, even of his own Cabinet. Under its repeated assaults the pillars of government are rocking on their base, and should it succeed in November next and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right or to interfere with its exercise is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government and can only end in a single centralized and consolidated government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of coequal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary and void; that our soldiers, who carried the flag of our country to victory against a most gallant and determined foe must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people and should be disposed of either under the preemption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

Resolved, That we approve of the platform of principles adopted by the National Democratic Convention. It falters in no double sense—its language is explicit and its meaning clear—the issues presented to the country are plainly and unmistakably defined, and, with a free and fair election, we confidently believe they will be endorsed by a large majority of the people—and with that endorsement must come such a change in the administration of the National Government as will restore the Constitution and give peace, harmony and prosperity to the country, and especially to the down-trodden States of the South.

Resolved, That it is our earnest desire and intention to bring about these wholesome and necessary changes by the peaceful means of the ballot-box—and all efforts to produce a contrary belief, coming from what quarter they may, are but the tricks of interested partizans of a desperate political faction, bent upon perpetuating its power by any means and at all hazards. They are attempting to alarm the people of this State by the false cry of revolution and war, threatening them at the same time with military force; while, in other States of the South they have not hesitated to take from the people the election of electors of President and Vice President, and to confer it upon Legislatures, the members of which were elected under military rule without freedom of choice and with no regard to the question of the Presidency, in order to secure the electoral votes of such states for the Radical candidates, in disregard and defiance of the just rights of the people of such states, and of the whole country.

Resolved, That it is our frank purpose now, and has been since the close of the late civil war, to accept and abide by, in good faith and without disturbance, the legitimate fruits and consequences of that war; to yield to the Government of the United States a cheerful submission and allegiance, and to perform all the obligations of good citizens to their rightful Government. And we do proclaim that, in asking recognition on terms of equality in that grand copartnership of States which constitutes our Federal Union, we do so with no hostile intent; on the contrary, we wish to share its benefits and its duties; to rebuild our waste places under the protection of its flag; to re-establish the old era of good feeling in our common country; to thwart the designs of unpatriotic men everywhere, who seek to perpetuate discord and division; and to participate in the blessings, as well as the burdens, of the government.—*Resolutions adopted by the State Democratic Convention of North Carolina, Aug. 14, 1868.*

No extra charge for Females. No charge for Medical Examination, Policies or stamps.

NEW YORK.

THE UNIVERSAL LIFE INSURANCE COMPANY,

NEW YORK.

Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The business of this Company is EXCLUSIVELY confined to the insurance of first-class healthy lives.

THE DISTINCTIVE FEATURE

of the Stock system of Life Insurance, as opposed to the Mutual, is a low rate of premium for a stated sum assured, which is IMMEDIATE, SECURED, and CERTAIN; in lieu of a high rate of premium for a promised dividend which is DISTANT, CONTINGENT, and UNCERTAIN; this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

ILLUSTRATION.

Suppose that an individual aged thirty desires to devote $200 a year for the purpose of effecting an insurance on his life; this amount will immediately secure him in the "Universal" the sum of $11,754, payable on his decease. This sum, paid to a Company charging the ordinary mutual rates, would secure him the sum of $8,474.

The difference between these sums ($3,277) is exactly the same as an immediate bonus or addition to the policy to be paid by the former office for the holder of the policy in case of the early death of the insured. It is true that if the insured, in an office charging high rates, *live long enough*, and have his periodical dividends added to his policy, the sum may equal or surpass that above named; but it must not be forgotten that the *chance of early death* is the very thing the applicant desires to insure against, and consequently the greater the sum immediately secured, contingent on this event, the greater the advantage to the policy-holder.

To illustrate the importance to the policy-holder of low premiums in more general terms, it may be stated that by a reduction of *twenty-five* per cent in the rate of premium, the same amount of money will secure a policy, *thirty-three and one-third* per cent greater, and likewise that a reduction of twenty-five per cent. in the rate of premium is precisely equivalent to an *annual cash dividend of thirty-three and one-third per cent., payable in advance*, or to a divi lend of *forty-five per cent*, payable at the end of five years.

By the *Stock* plan the *full cash effect* of the premium is *immediately* secured to the insured, the Company taking *all* the risk. By the *Mutual* plan, the full value in insurance of the premium paid is not secured to the policy-holder, who takes a portion of the risk himself.

Rates to Secure $1,000 at Death.
